

The Broadcasting companies have much power at their disposal because of what they choose to air or not. They can use that power for the benefit of our democracy or not.

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is not using that power for the public good.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Sinclair needs to follow the laws.

Please stop Sinclair from airing "Stolen Honor."  
Thank you.
